## The Room of Grace

We all have history. We all have hidden places. We can all say, **"If you really knew me, you wouldn't love me."**

What if there was a place where the worst about you could be known and you'd still be accepted? Is such a place possible in today's culture? This is the primary theme of *True Faced* and *Bo's Cafe*, co-authored by conference speaker John Lynch.

We turn and hide, put up masks and find ways to cope with the pain inside. God calls us to "confess your sins to one another" (James 5:16), and "encourage one another daily so that none of you may be hardened by sin's deceitfulness" (Hebrews 3:13).

Come learn to live in the room of grace.
